

# Spring Session 2017!!!!

## Understanding Mobility and Homelessness

Join the TEP team for 6 weeks of action and learning

Learn answers to these questions and more: What contributes to mobility and homelessness in our community? What is high mobility and homelessness like for a student or a family? How can educators respond?

### Topics to include:

- Introduction to issues
- Understanding needs
- Knowing resources
- Supporting students
- Building supports
- Creating interventions

Due to the active and rich schedule of planned learning events, we expect all participants to make a firm commitment to attend all sessions and complete all out of class assignments.
