2. They offered to give tips on how to advocate at the federal level-they are invited to this meeting

F. Dane County Budget

1. County staff will present information about the budget process and how to engage in advocacy in the April meeting

G. City of Madison Budget

1. City staff will present information about the budget process and how to engage in advocacy at the March meeting

III. Committee Procedures

A. Committee chair and other roles

1. The HSC offers committees no official guidance for procedures of how to organize our committees-we can make up our own rules; currently we have none
2. Note-taking rotation - talk about at next meeting

B. Work groups

1. Work on what our education work will look like

2. It would be helpful to form work groups to make more progress on the advocacy and education work of the committee. Will people attend?
3. Think about whether we will start some work groups and how we will structure them so that we can discuss in

IV. Tasks to complete by next meeting

- A. Kyle will contact Octavia regarding Community Justice Council nomination
- B. Matt will contact Francesca about giving a 15 minute presentation to the general membership of the Homeless Services Consortium about the 2023 Education and Advocacy Agenda
- C. Think about how you think the committee leadership should be structured - what roles should we have, how often should we rotate them? Any other procedures that you would like to see?
- D. Think about whether you are willing to participate in a work group, and if so, what project would you like to work on
