

Present: Sarah Lim, Johneisha Prescott, Patrick Duffie, Chara Taylor, Courtney Spears, Alicia, Aurey, Brad Hinkfuss, Brenda Konkel, John Adams, Michael Moody, Garrett Olson, Katrina Burnett, Melissa Mennig, Kristina Dux, Maria Tran, Marilyn Feil, Takisha Jordan, Tim Bogosh, Butch Andreas, Francesca Atkinson, Karen Andro, Liz Duffie, Erin Kollenbroich

- A. Introduction
- B. Last meeting recap
- C. Review of the SURVEY

1. Q1: 1. Who should be allowed to attend the Reimagine CE workgroup meetings? (Select one)

- a. {69.6%} Only members should be allowed to attend the meeting, as long as the meeting materials are available publicly and there are ways to receive their feedback from updates and presentations to HSC.
- b. {26.1%} Non-members should be allowed to attend the meeting, either with limited participation or listen-only.
- c. {4.3%} Don't know/No opinion

2. Q2: If we allow non-member guests to attend the meeting...(Select one)

- a. {58.3%} Non-members should be allowed limited participation (e.g. maximum two minutes comment per discussion topic).
- b. {28.3%} Non-members should be allowed to attend the meeting, but for listen-only.
- c. {13.4%} Don't know/No opinion

3. Based on a survey of current members, non-members will be allowed to attend the meeting and comment in limited capacity.

- a. New participants will be given access to all notes and presentations and expected to review.

D. Dane CoC System Performance Data Review

Days Homeless

- a. Discussion about racial representation
 - i. How does culture affect who is engaging the system?
 - i. Garrett Olson will reach out to a local reservation about cultural practices and programs
 - ii. Is data affected by criminal justice system?
 - iii. Has COVID funding skewed the data?
- b. Parenting youth: Substantial inequity between Black and white households
- c. Things to add to data analysis for future:
 - i. The number of households scoring into each program broken down by demographics to better help understand the PSH %
- d. Data Review Discussion in the jam board

- i. <https://jamboard.google.com/d/1qwoa-PVRRAZoYqci-VCUtsZ96LvuKQBZwXdQUoPOPS4/edit?usp=sharing>
 - i. Where are the greatest inequities showing up?
 - ii. Who are left out? Who are missing in the data?
 - iii. Are there disparate experiences for different demographic groups? What are they?
 - iv. What changes do we want to see in the system performance measures?
 - v. What other information do you need to see to have meaningful understanding of our CoC's system performance?
2. Exit to Permanent Housing
 - ii. Return to Homelessness

Meeting ended at 12:06pm
