It could bring more voices to the group. There hasn't been an official connection with HSC for the homeless awareness. Need to figure out if there will be another summit or something different to raise awareness. It does make sense for this group to provide support. It can be a sub-group of this group as there is a lot of planning work to be done. It will be helpful to have the HSC as an "owner" for this work.</li> <li>◦ <b>Action Items–</b></li> <li>◦</li> </ul> </li> </ul>
