

**Shelter Providers Committee  
Wednesday, August 5th, 2020  
9:00-10:30 AM**

**Zoom (please see connection details at bottom of agenda)**

Agenda

1. Introductions
2. Review of our current shelter system: What shelter resources exist? How do clients access them? How are services being provided differently?
3. System gaps analysis: Are there shelter services missing from our system? Are there other needs that those experiencing homelessness in our community currently have that the shelter providers could help with? Do we anticipate new/different gaps as the year progresses and/or as the weather gets colder?
4. Brainstorm ideas for future agenda items
5. Go-around for updates/announcements
