

## Outreach Committee Notes

Monday, March 4, 2024

Noon-1:30pm

1. Welcome and introduction
2. Announcements
  - Street Outreach in-person HMIS training: 4/8 (Mon) noon-1:30pm, UW - South Madison Partnership Center at Villager Mall (2238 South Park St.) Room 120
3. Outreach and Coordinated Entry data review
  - March 2024
    - 210 household were engaged with Outreach; Connected to CE: less than 150 households.
    - Current living situation (CLS) - 90 people new, 170 had more than 1 CLS
      - Conversation about whether or not Dairy Drive should be included in this report. Will check back in about this after one month of data is collected and then decide.
4. HUD Special NOFO Unsheltered Plan Review & ongoing plan review plan– Unsheltered Response Workgroup
  - Torrie presented an overview of the unsheltered NOFO and the CoC plan.
  - Ask of Outreach Committee to be the Core Team for the unsheltered plan. Discussion followed.
    - The group was interested in landlord engagement meetings. Sarah was going to get more information and send out the link.
    - Some uncertainty of amount of work required and capacity of outreach workers to implement plan. Group decided to pass that the Outreach Committee will be the Core Team for the unsheltered plan and look at it at least quarterly during the Outreach Committee meeting.
5. HMIS auto exit for street outreach
  - Conversation was had on whether HMIS should automatically exit people after 90 days of no contact with an outreach program. It would exit people to their last current living situation. This was passed by the committee.
