2A. Project Detail

1. **CoC Number and Name:** WI-503 - Madison/Dane County CoC
2. **Collaborative Applicant Name:** City of Madison
3. **Project Name:** WI-503 CoC Planning Unsheltered Homelessness Set Aside Project Application FY2022
4. **Component Type:** CoC Planning Unsheltered Homelessness Set Aside Project Application

2B. Project Description

1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with 24 CFR 578.7:

With proceeds from this planning grant the City will continue to employ 1 FTE who will work with the CoC’s entire geographic area. The current CoC funding grant does not cover full salary and benefits for this position. The CoC Coordinator will work on the following activities: 1) Lead a community-wide process coordinating the efforts of homeless service providers and related organizations to achieve the goals of preventing and ending homelessness. 2) Coordinate the CoC Homeless Assistance Grant Application process by working with agencies submitting renewals, agencies reallocating funds for new projects, and recruiting new agencies to fill identified CoC gaps. Staff will work closely with various CoC committees to facilitate the CoC application process and ensure that the process is timely, fair and open to new participants. 3) Develop a systematic approach to conducting evaluations of CoC-funded programs and coordinate with staff responsible for evaluating ESG-funded programs. Work with CoC-funded agencies to provide needed support and technical assistance as part of a focused effort to implement a crisis response, prioritized, homeless system. The City will contract for additional expertise as needed to provide some of these services. 4) Solicit and coordinate input from the CoC network for use in the City of Madison and Dane County Consolidated Plan processes. Provide support to City and County policy makers and elected officials in developing and monitoring community-wide objectives and strategies as part of the Community Plan to Prevent and End Homelessness in Dane County. Staff will build on efforts currently underway to ensure compatibility between the CoC’s and local jurisdictions’ plans. 5) Contract for technical assistance services and provide access to national trainings and conferences on best practices for both the CoC Coordinator and agency staff. With these additional planning funds, the CoC Coordinator will ensure the needs of those experiencing unsheltered homelessness and the strategies that best serve them are being considered in all activities.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

The CoC Coordinator (1 FTE) position was filled in February 2017. This employee is hired as a limited term employee with the hope that the position can be sustained with future HUD planning dollars. The current grant request is intended to provide additional funding as the current planning grant does not cover full salary and benefits for the CoC Coordinator. The CoC Coordinator works closely with the Dane County Continuum of Care and its Board of Directors, playing a lead role in helping to coordinate the efforts of homeless service providers, funders, policy makers and related organizations in order to achieve the goals of preventing and ending homelessness (45% of FTE – General Coordination). The CoC Coordinator plays a lead role in coordinating the development of grant applications, on behalf of the CoC, for available federal, state and other funding (25% of FTE – CoC Application Activities). The Coordinator has developed a systematic approach to conducting program evaluations for activities undertaken by CoC agencies with federal and/or state financial support, and coordinating with City staff responsible for evaluating activities supported with City-administered federal dollars. Monitoring site visits and review of project data began in calendar year 2018 and will continue on an annual basis. The CoC Coordinator will provide needed technical assistance to CoC agencies where possible and, when necessary, arrange for outside expertise capable of providing such assistance (25% of FTE – Project Evaluation). The CoC Coordinator solicits and coordinates input from the CoC network for use in the City of Madison and Dane County Consolidated Plan processes. They provide support to City and County policy makers and elected official in developing and monitoring community-wide objectives and strategies as part of the Community Plan to Prevent and End Homelessness in Dane County (5% of FTE – Participation in Consolidated Plan). The position is placed in the City’s Community Development Division, with daily supervision provided by the Community Development Grants Supervisor. A Memorandum of Understanding between the City of Madison and the CoC Board of Directors governs the management of the Coordinator’s work priorities. Monthly reports are made to the CoC Board of Directors in an effort to assure effective and timely completion of work.

3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

In the past, program evaluation was handled through: 1) a spreadsheet populated with HMIS data on project performance which is reviewed quarterly by the Core Committee and 2) scheduled monitoring visits by the HUD Field Office. With the planning funds, the CoC Coordinator has developed a process for evaluating CoC-funded and ESG-funded programs that provides an additional and important layer of coverage that goes beyond compliance with regulations, ensuring evaluation of the way homeless persons are accessing programs, identifying those who might otherwise be screened out and ensuring compliance with Written Standards. Monitoring site visits began in 2018 and will continue on an annual basis. Data will continue to be reviewed on a regular basis and the Coordinator will work with the HUD Field Office on outcomes of their monitoring visits. The fact that the CoC Coordinator is located in the offices of the City's Community Development Division, an ESG recipient, significantly increases opportunities for effective coordination with and feedback to City staff involved in homeless-related efforts. It is expected that results will include improved performance outcomes and enhanced consistency between the jurisdiction's Consolidate Plan and the various efforts of the CoC.
