February 2023 Meeting Agenda

Chair: Courtney Spears

1. Introductions

2. Review Committee Goals

The Outreach Committee of the Dane County Homeless Services Consortium will advise the Board of Directors on issues related to outreach services including unmet needs and gaps, recommendations on written standards, recommendations and strategies for ending unsheltered homelessness in Dane County and other issues as needed. The committee will provide a forum for outreach workers to communicate and improve coordinated efforts to assist people experiencing unsheltered homelessness. The committee will develop agreed upon definitions of different types of outreach, shared goals, best practices, ethical standards and an outreach calendar as well as other procedures and practices that will assist in achieving shared goals. The outreach committee will review data and make recommendations to partners on how to decrease the length of time homeless and increase permanent housing placements. The Committee will annually make recommendations to the Education and Advocacy Committee for issues to be included in the advocacy platform and provide input to the Community Plan to Prevent and End Homelessness Committee. The outreach committee will coordinate closely with HSC and community case conferencing meetings (veterans, PSH, RRH, by-location for people unsheltered, and other meetings that may develop)
