

## HSC Membership Chair and Vice Chair Nominees November 2018

### Chair Nominations

1. Kim Sutter  
Nominated by Melissa Mennig  
Agency: Porchlight

I am nominating Kim Sutter as the chair of the HSC membership. Kim has a wealth of experience working with folks who are currently experiencing homelessness in her role as Porchlight's Director of Services. She has spent the past year service as the HSC Vice Chair and has brought much needed organization and streamlining of processes. In addition, Kim is interested in implementing changes to the meetings based on the needs of the members. She created a survey this past year to gather input from the membership and has been thoughtful in helping to set the agenda topics. Kim is also very open to improving the homeless services system and is very action oriented and exactly the type of leader that is needed to continue to move our community forward.

2. John Brown  
Self-Nomination  
Unify of Madison

I would like to nominate myself for position of chair. I work and talk directly to service providers and the client's they serve! I can get the homeless into housing with the help of this directory team! I enjoy working with the homeless on a street to street study. In my findings I find the condition of homeless come from alone period of separation from ones own environment! Being a homeless agency will bring all homeless services to a one call for all service! And only then can we treat the causes of homeless in our Communities together.

## **Vice Chair Nominations**

1. Jennifer Pease  
Self-nomination  
Unify of Madison

I would be honored to serve on the board because I am determined to make a difference in the community and bring the community back together. I have been homeless 2 times in life and almost been homeless a couple of times. I have lots of personal experience of hardships and I am inspired that if you work hard and never give up your dreams can come true and you can make it out of the struggle. I will do anything I can to help make a difference. I am committed and my heart and soul will be in the position and I will give it my all.

I would love to be a part of what you are doing and helping the community. I want to make a difference in life.
